Re: SPR 14/626  
Decision Date: June 5, 2015  
Todd Wallack public records request to the City of Somerville

Dear Mr. Williams:

On behalf of the City of Somerville, I write to formally request a stay of enforcement of the above referenced decision, pending appeal to Court.

This matter presents novel and complex legal issues, and would result in the immediate, unanticipated disclosure of personal information of residents of Somerville who applied for and have been issued parking permits.

Unless you notify me that you will grant a stay of enforcement before 12:30 p.m. tomorrow, June 12, 2015, I intend to appear in Court on Monday, June 15, 2015, to request a stay from the Court. In such event, I will promptly notify you of the time and location of the appearance.

Thank you for your anticipated cooperation.

Very truly yours,

David Shapiro  
Assistant City Solicitor
